

test/declare_regex
_test.h

```
graph BT; A["test/declare_regex_test.cpp"] --> B["test/declare_regex_test.h"]
```

The diagram consists of two rectangular boxes. The top box is light gray with a black border and contains the text 'test/declare_regex_test.h'. The bottom box is white with a black border and contains the text 'test/declare_regex_test.cpp'. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating a dependency or relationship between the two files.
